

# Immune regulation of organismal homeostasis: Keeping the middle path

In partnership with Shanghai Institute of Immunology  
Shanghai Jiao Tong University School of Medicine

May 11–13, 2026 — Shanghai, China

Supporting Cell Press journals

Join us at this Cell Symposium in Shanghai to discover how the immune system supports not only defense, but also the maintenance of healthy organs and tissues—even in the absence of disease. Gain fresh insights and connect with leading experts shaping this evolving field.

## Keynote speaker

**Diane Mathis**, USA

## Speakers

**Veronique Angeli**, Singapore  
**Guy Boeckxstaans**, Belgium  
**Simone di Giovanni**, UK  
**Ana Domingos**, UK  
**Slava Epelman**, Canada  
**Adrian Erlebacher**, USA  
**Andrés Hidalgo**, USA  
**Luisa Iruela-Arispe**, USA  
**Masaru Ishii**, Japan  
**Ana Maria Lennon-Dumenil**, France  
**Hanjie Li**, China  
**Michela Matteoli**, Italy  
**Tatiana Petrova**, Switzerland  
**Hai Qi**, China  
**Deepshika Ramanan**, USA  
**Bing Su**, China  
**Henrique Veiga Fernandes**, Portugal

## Organizers

**Bing Su**, Shanghai Institute of Immunology, Shanghai Jiao Tong University, China  
**Florent Ginhoux**, Institut Gustave Roussy, France  
**Laiguan Ng**, Shanghai Immunotherapy Institute at Renji Hospital, China  
**Bruce Koppelman**, Senior scientific editor, *Immunity*, Consulting editor, *Cell*  
**Qingzhong Ren**, Senior scientific editor, *Cell Reports*

## Deadlines

Abstract submission deadline:  
**December 19, 2025**  
 Early registration deadline:  
**March 6, 2026**
